Public comment

Perry – had call from gentleman that wants to take ownership of 2 rest areas on trail. Upkeep. Benches along trail. Gee drive? Take bench from Gee Drive and move to AN. Or order another bench.

New Business – would like to change bylaws. Chair have authority to approve time sensitive invoice. (LLP) Check still needs 2 signatures.

Amanda will ask auditor about it. Because we receive state/federal funds, we need Board approval to pay bills. Not sure if just the chair approving it, would be appropriate.

Meeting adjourned at 702 Mark/amanda
